## Invitation to the **1<sup>st</sup> International Conference on Sustainability in Education**

Jelšane Primary School cordially invites professionals in the field of education and the interested public to our **1<sup>st</sup> International Conference on Sustainability in Education**, which will be held in **Prem Castle, Ilirska Bistrica, Slovenia, from September 21 to September 22, 2018.**

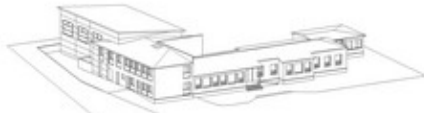

Upon registration to the conference **you will be assisted by the Tourist and Information Centre (TIC Ilirska Bistrica) with finding a suitable and authentic accommodation** in Ilirska Bistrica, which is one of the most picturesque corners of Slovenia, where you will be able to experience its unique cuisine and relax in the greenery of its fields and forests. The Centre will arrange the accommodation for you at one of the local inns, tourist farms or room providers.

**Refreshments** will be provided at the conference site. There will also be **an excursion** across the municipality, **a conference banquet in the castle**, and **a chance to buy** genuine, home- and handmade Slovenian products.

### **Topics to be covered (but not limited to) at the conference are:**

- Durability of knowledge and skills
- Sustainable education – education which lasts
- Challenges of approaching (demanding) students
- Pedagogy, psychology and didactics in/for the 21<sup>st</sup> century
- Educators share: examples of good practice
- Management in education that fosters sustainability
